Fraud Attacks Are On the Rise!!

Here are some helpful tips to help keep You safe and from becoming a fraud victim.

Hang up the phone IMMEDIATELY if an unknown person calls you and asks for the following:

1. Caller threatens you with arrest or property seizure.
2. Caller claims to be a relative or loved one in trouble with the law.
3. Caller asks you to wire money, mail cash or purchase gift cards or Bitcoin.
4. A repair person calls out of the blue and wants to "fix" your computer.
5. Caller is unsolicited and is wanting personal information.

These are all examples of red flags that someone is trying to take advantage of you. Be ever vigilant!!!

Letter From The President

This past year of 2022 has definitely flown by in a flash! We as a credit union continued to make lots of strides towards improving your experience as a member. The credit union also celebrated its 75th Anniversary back in May with an event at Exploration Place. I hope that all who attended the event enjoyed themselves and helped to celebrate quite an accomplishment in our credit union's history.

We also experienced a core systems upgrade to enhance our abilities to continue to offer more products and services and help better serve you, our loyal members. Again, I would like to thank each and every one of you for your patience throughout this process.

I hope you all had a Merry Christmas and a wonderful New Year and wish you all the best in 2023!!

Sincerely,
Jarod M. Patry
President/CEO
